SCENTS

**BUCK BOMB™**

Pure urine manufactured in an aerosol spray that can be partially depressed to release in bursts or can be locked down to fog out the entire container. Bomb essentially turns urine into gas cloud that drifts in excess of ¼ mile in a 3 mph breeze. The fine particulate emitted by custom nozzle attaches to leaves, trees, & brush as it blows through woods. Great attractant & provides incredible cover scent.

**BUCK BOMB™
BEAR BOMB**

•Pure bear attractant •Very effective as attractant or cover scent

Order #	Mfg. #	Scent	Sugg.Ret.
2021404	MM-BB-SO-P1	Sow In Heat	\$9.99

2021406	MM-BB-HB-P1	Hickory Smoked Bacon	9.99

**BUCK BOMB™
DOE ESTRUS**

•Harvested during estrus cycle •Best used during pre-rut & rut

Order #	Mfg. #	Sugg.Ret.
2021085	MM-BB-DE-P1	\$9.99

**BUCK BOMB™
DOE P**

•Harvested from young does & fawns •Best used during early bow season & post-rut as natural cover scent & attractant to both sexes

Order #	Mfg. #	Sugg.Ret.
2021086	MM-BB-DP-P1	\$8.99

**BUCK BOMB™
DOMINANT BUCK**

•Harvested from 3 ½ + year old bucks •Best used during rut & pre-rut to encourage dominant behavior from mature bucks

Order #	Mfg. #	Sugg.Ret.
2021087	MM-BB-DB-P1	\$8.99

**NEW****BUCK BOMB™
AMBUSH**

•100% pure Whitetail urine •Year-round attractant ideal for pre-rut & rut •Use as drag-line & cover scent

Order #	Mfg. #	Size	Sugg.Ret.
2028367	MM-BB-AM-01	6.5 oz.	\$9.99

**BUCK BOMB™
YOUNG BUCK**

•Harvested from young spikes & forks •Best used during early bow season & post-rut to attract larger bucks to investigate an intruder in their territory •Also attracts does

Order #	Mfg. #	Sugg.Ret.
2021390	MM-BB-YB-P1	\$8.99

**BUCK BOMB™
ACORN RAGE**

•Buck Bomb has teamed up with WildGame Innovations to bring you a 5 oz. acorn scent fogger •Can be used in conjunction with the Acorn Rage or by itself to stimulate the whitetails favorite food source •Ideal for states where baiting is NOT LEGAL

Order #	Mfg. #	Sugg.Ret.
2022474	MM-AR-BB-01	\$9.99

**BUCK BOMB™
VANILLA CURIOSITY**

•Non-urine – great all around scent that peaks natural curiosity of deer •Provides excellent cover scent

Order #	Mfg. #	Sugg.Ret.
2021391	MM-BB-CY-P1	\$8.99

**NEW****BUCK BOMB™
SUGAR BEET SMASH**

•Wildgame Innovations & Buck Bomb collaboration •Unbelievable drawing power of real sugar beets in an ultra-concentrated attractant

B-TECH™

Tink's® uses Byotrol Technology which is scientifically proven to target bacterial odors that instinctively alert wild game, specifically deer. This includes the perspiration & ammonia compounds emitted by the normal breathing of your skin. Laboratory tested. Eliminates all human odors. Eliminates common odors from foods, smoke & exhaust. Creates a microscopic barrier that prevents new odors from adhering to body or clothes.

TINK'S® B-TECH™ HAIR & BODY WASH

•All day protection •Deep cleans •Gentle formula keeps skin from drying out •Rinses clean & easy for in-field use

C'MERE DEER® X-TREME POWDER

•A botanical and synthesized chemical powder-extract •Concentration of minerals and extracts works even when bucks are out of rut, because it's a powerful forage-based stimulant -- not a sex attractant •It spurs animals to instinctively seek out food, both on and below the ground's surface •Unique blend of plant & root extracts and mineral stabilizers gives you the opportunity to take aim while the animal paws, digs and roots, trying to get to the food source •Pour or toss C'Mere Deer X-TREME powder directly on the ground, around the base and bark of trees, over stumps, logs and vegetation or any desired location you want to attract and hold deer

Order #	Mfg. #	Size	Sugg.Ret.
2028567	CMD00099	5 lb. bag	\$9.09

NEW

BUCK BOMB™ "SCREW" AUGER

•Helps place numerous screw attractants in an easy, quick & efficient method •Use w/any cordless drill •Simply drill auger into the ground to allow your "screw" attractant to get deeper so the animal works harder & longer, thus extending the life of your "screw" attractant

Order #	Mfg. #	Sugg.Ret.

C'MERE DEER®

C'MERE DEER® PRODUCTS DEER ATTRACTANT

•For all seasons •Mimics unique blend of plants, roots & minerals •Apply directly to ground or spray, pour or soak plants, grasses, clovers, spot treatments in food plots, bushes, vines, acorns, briars, honeysuckle, corn, grains, protein pellets or powders •For optimal performance, apply in area for up to 1 week, giving deer time to acclimate to it •Liquid: spray on product to prevent dissolving pellet or powder •Powders: pour directly on ground, stump or log as stand-alone attractant or use in spincast or gravity feeders

Order #	Mfg. #	Size	Sugg.Ret.
2021869	00001	1 Gallon Jug	\$12.95

MICHAELS' BUCK JUICE by C'MERE DEER®

•Michael's Buck Juice contains C'mere Deer's® newest revolutionized research product •The formula has been designed for maximum strength & effectiveness to attract White Tail deer •A proprietary blend of plant, root, bean, and certain berry extracts •Apply a heavy mist on any natural food source or vegetation that you desire to attract deer to •On the 1st application, total saturation is advised to get the deer introduced to the attractant •Heavily spray or soak grains and nuts desired by deer to enhance their attractant ability •You may also pour it or spray it on logs, stumps and watering holes to increase sightings •Though not required, the product works best when applied 48-72 hrs. prior to hunting over it, allowing deer time to discover the attractant, introduce it to other deer in the core area and return for more •Also works as an excellent cover scent when sprayed on hunting boots, clothing, deer stand ladders and shooting blinds •WARNING! Do not spray in eyes or directly on skin

Order #	Mfg. #	Style	Sugg.Ret.

5027426	010-01133-00	Astro® Bundle	\$599.99

GARMIN® ASTRO™ GPS-BASED DOG TRACKING SYSTEM

•The Astro™ System is comprised of 2 components: Astro™ 220 handheld receiver and DC 40 dog-collar transmitter •Astro™ can track up to 10 dogs at once and has the ability to update dog's position every 5 seconds •System can reach up to 5 miles in flat, unobstructed terrain •Astro™ 220 serves as a full-featured handheld GPS unit •It contains features such as a high-sensitivity GPS receiver, long battery life, a bright sunlight readable color display and a rugged IPX7 waterproof exterior •This unit also offers automatic routing w/turn-by-turn directions •Micro SD card slot so you can add preprogrammed data cards w/detailed maps such as TOPO®, Inland Lakes, BlueChart® and City Navigator® •**Bundle includes:** Astro 220, DC 40, vehicle power cable, AC charger, USB cable, Trip & Waypoint manager, owner's manual & quick start guide •**DC 40 Collar:** High-sensitivity GPS receiver & VHF antenna into an all-in-one transmitter that works w/Astro® 220. Durable, one-inch orange polyurethane collar that fits most e-collar receivers — eliminating the need to put two separate collars on a dog. Extend the battery life of the DC 40 by changing the position transmit rate from 5 to 10, 30, or 120 seconds, enabling the DC 40 to work up to 17-48 hours in the field on one charge.
